intro

1. Mračna se stahují, úplněk září
 Ulicí prochází šarmantní don
 Temná kráska s pobledlou tváří
 Vyhrkne vzrušeně: tak to je on.

Cmi - G

2. V Rybníkách na chatě, všechno jim kvete
 Fíky a rajčata, plíseň i láska
 Martin se při práci nikdy nesplete
 Neboť mu nad hlavou bičem se práská

Cmi

3. Martin je expert přes lektvary temné
 Panadol, gintonic, všeho má dost.
 Z pinecu svaly má velmi objemné
 Pavlínka odstřelí kdejakou kost

Cmi

4. Když anglicky Pavla mluvit se snaží
 Hltaje slovníky po celý den
 Hromy a blesky Krpole smaží
 Martine, jak se to píše? Pocem

Cmi

5. Když Martin zatopí, vášeň v ní vzplane
 Pomalu svlékne si svých sedm svetrů
 Adams či Poledňa - je to to samé,
 Spolu si zatančí v půlnočním větru
